

A photograph of two young women celebrating at a festival. The woman on the left has long blonde hair, is wearing sunglasses and a plaid shirt, and has her mouth wide open in a shout. The woman on the right has dark hair, is wearing sunglasses and a denim shirt, and is smiling. The background is bright and slightly blurred, suggesting an outdoor festival setting with confetti or streamers in the air.

LIST

2019 LIST OF WOMEN
WHO HAVE INSPIRED

After another eventful year for women in the legal profession, WLAQ celebrates International Women's Day by releasing a list of women that have inspired the WLAQ Committee

International Women's Day is a global celebration of the achievements of women. We live in an age where we expect gender balance in the workplace; we celebrate its presence and we notice its absence.

With ongoing efforts by everyone, balance for better in Queensland law can be achieved. We have already witnessed progress in our law graduate numbers, and now we need to see gender balance in our leadership positions.

WLAQ congratulates those firms who have actively contributed to making a difference for women in the profession.

The WLAQ Inspo List was released for the first time in 2018 and was welcomed by many (so much so, it crashed our website!).

WLAQ is grateful to be surrounded by so many amazing women in our profession.

Now in its second year, this List continues as a way for the WLAQ Committee to publicly (and anonymously) thank the women from, or in, Queensland who inspire them, and who have made a difference in their life.

Thank you to everyone who has committed to this year's IWD theme of #BalanceForBetter.
